Hi Lana:

Welcome back, hope all went as planned.

What I requested and thought Buddy had it and was going to send it were the manufacturer's use instructions (e.g. label or other user instructions). I reviewed emails and did not locate any such submission so I would appreciate if you could check again.

Thanks.

Rick

Hi Rick,

Did you ever get a copy of the Coil Guard 400 SDS? Attached is the SDS sheets, in the event you did not.
